

# Private Dining Lunch Event Package

Ruth Fertel, our founder, wasn't just a hard-working restaurateur, she was a world-class host. Whether it be tables for two or large gatherings, it didn't matter. Generous hospitality was her thing and Ruth had a recipe for absolutely everything, not just her food! She never compromised her high standards.

When you book a private party at Ruth's Chris, know that every detail, every nuance, and every request that you and our team plan together will be executed flawlessly. The experience itself will be unforgettable, just how Ruth would have wanted it. Whether it's an intimate dinner or a celebratory gathering, there will be no compromises. It's how we honour our founder and help you celebrate a perfectly relaxing, elegant event.
